

Summa Engineering

Education and Examination Regulations

ADDENDUM Option parts	
Date of entry	01-09-2021

Education: Technical Engineering

Level: 4

Creed number: 25297

Cohort: 2018

Course of study: BOL

Study duration 48 months

Dear student,

At the start of your studies, you received/are informed about the Education and Examination Regulations (OER) of your study programme (Technical Engineering cohort 2018)

On 1 September 2021, the director of your study programme approved a change regarding your electives. The overview of electives was

	Intercultural Diversity I	EP	K0210		KZ1
EN.SI.KKD.0210	Intercultural Diversity I	EP	K0210	Ek	cex
	Droning - toepassingen	EP	K0797		KZ2
EN.SI.KKD.0797	Droning - toepassingen	EP	K0797	Ek	pvb
	Innovation	EP	K0226		KZ3
EN.SI.KKD.0226	Innovation	EP	K0226	Ek	pas
	Drones - techniek	EP	K0860		KZ4
EN.SI.KKD.0860	Drones - techniek	EP	K0860	Ek	pvb

The overview of elective modules

25297.BPV	BPV	EP	nvt	Ei	vex
	Intercultural Diversity I	EP	K0210		KZ1
EN.SI.KKD.0210	Intercultural Diversity I	EP	K0210	Ek	cex
	Methodological Design	EP	K0797		KZ2
EN.SI.KKD.0687	Methodological design	EP	K0797	Ek	pvb
	Innovation	EP	K0226		KZ3
EN.SI.KKD.0226	Innovation	EP	K0226	Ek	pas
	Drones - techniek	EP	K0860		KZ4
EN.SI.KKD.0860	Drones - techniek	EP	K0860	Ek	pvb

This means that the following has changed:

Droning - toepassingen has been replaced by Methodological design.

Because the students choose the English-language course at Summa Engineering, the package of electives is fixed. Therefore, by choosing this discipline, a choice has already been made for this configuration.

During a meeting with your careers advisor, the changes in the list of electives will be discussed with you.
